

Celebrating Language Immersion

MAIN | **Minnesota Advocates
for Immersion Network**

MAIN, a non-profit organization, acts collaboratively to support, enhance and educate others about dual language/immersion education in schools. It was established:

- To support discussion and collaborative problem-solving of program design and implementation issues unique to language immersion programming,
- To create opportunities for professional development, cultural exchange, educational research, and communication among immersion educators,
- To advocate for and inform about immersion education at the district and state levels.
