Through personalized learning, teachers work to understand, care and nurture student strengths, while students are encouraged to take ownership of their learning and explore their interests and passions.
- **4Cs:** Our teaching practices emphasize the 4Cs: creativity, collaboration, critical thinking and communication. These are the skills essential for both career and citizenship.
- **Mindfulness:** Students engage in calming strategies throughout the day to help reduce stress, improve attention and promote overall student wellness.
- **Gifted Programming:** We offer the KEY program for students in second through sixth grade. KEY students engage in activities utilizing problem solving, higher level thinking skills and advanced topics.
- **Orchestra, choir and band:** Students engage in musical education each week. Eden Prairie Schools is one of the few districts to offer orchestra at the elementary level.
- **Bilingual & biliterate:** Beginning in 3rd grade, students experience a dual literacy program with language arts instruction in both English and Spanish.
